INFORMATION CIRCULAR

(containing information as at May 13, 2022, unless otherwise stated)

SOLICITATION OF PROXIES

This Information Circular (this "Circular") is furnished in connection with the solicitation of proxies by the management (the "Management") of SELECT SANDS CORP. (the "Company"), for use at the annual general and special meeting (the "Meeting") of the shareholders (the "Shareholders") of the Company to be held on June 20, 2022, at the time and place and for the purposes set forth in the accompanying Notice of Meeting, and at any adjournment thereof. The solicitation will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

MEETING ATTENDANCE

Given the current circumstances, the location of the Meeting will be the Company's office, located at 310 – 850 West Hastings Street, Vancouver, BC, V6C 1E1. The Company will be strictly restricting physical access to the Meeting to registered Shareholders and formally appointed proxyholders and will not be permitting any others (including beneficial Shareholders that hold their shares through a broker or other intermediary) to attend.

The Company strongly encourages registered shareholders and proxyholders not to attend the Meeting in-person, and Shareholders are encouraged to vote using one of the methods described in this management information circular. The deadline for Shareholders to vote by proxy in advance of the Meeting is June 20, 2022 at 10:00 a.m. (Vancouver time). Registered Shareholders and proxyholders who nonetheless wish to attend in person may be subject to health screening procedures at the entrance and will be asked to socially distance themselves from others at the Meeting.

Shareholders who are unable or not permitted to attend the Meeting in person have the opportunity to listen to the Meeting live through an audio conference call. Shareholders who dial in to the call will be able to listen to the call but will not be able to vote. To listen to the Meeting in this manner you may dial the following toll-free or international toll number approximately five minutes prior to the start of the Meeting and ask the operator to join the Select Sands Meeting:

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed proxy (the "**Proxy**") are directors and/or officers of the Company. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend and act for and on behalf of the Shareholder at the Meeting other than the persons named in the enclosed Proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the enclosed Proxy and insert the name of the Shareholder's nominee in the blank space provided, or complete another instrument of proxy.**

A proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer. A proxy will not be valid unless it is deposited with the Company's registrar and transfer agent, Computershare Investor Services Inc. ("**Computershare**"), at 8th floor - 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or adjournment thereof.

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer, and deposited with Computershare at the address or fax numbers indicated in the preceding paragraph, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairperson of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed Proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the persons named in the enclosed Proxy will do so in accordance with such direction. **In the absence of any instruction in a proxy, it is intended that such shares will be voted in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.**

The enclosed Proxy, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the Management should properly come before the Meeting, the enclosed Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a "**Special Resolution**", in which case a majority of not less than two thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of shares can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own ("**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are ("**NOBOs**" for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer ("**NI 54-101**") issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy related materials directly to NOBOs. The Company has decided to take advantage of those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form ("**VIF**") from our transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

With respect to Beneficial Shareholders who are OBOs, regulatory rules require intermediaries/brokers to seek voting instructions in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return

instructions to clients, which should be carefully followed by Beneficial Shareholders who are OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder who is an OBO by its broker, agent or nominee is limited to instructing the registered holder of the common shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted.**

These security holder materials are being sent to both registered and non-registered owners of the shares of the Company. If you are a non-registered owner and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. In accordance with the provisions of NI 54-101, the Company has elected not to pay for mailing to OBO's. As a result, OBO's will only receive paper copies of proxy-related materials if the OBO's intermediary assumes the costs of delivery.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a proxyholder.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, none of:

- (a) the directors or executive officers of the Company at any time since the beginning of the last financial year of the Company;
- (b) the proposed nominees for election as a director of the Company; or

See "*Particulars of Matters to be Acted Upon – Approval of Sale of Preview SW Property*", and see "*Particulars of Matters to be Acted Upon – Re-Approval of Stock Option Plan*".

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Any Shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a proxy in the manner and subject to the provisions described above, shall be entitled to vote or to have such Shareholder's shares voted at the Meeting.

To the best of the knowledge of the directors and senior officers of the Company, no person holds, directly or indirectly, or exercises control or direction, over more than 10% of the issued and outstanding Common Shares of the Company.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

NEO Compensation Discussion and Analysis

The objective of the Company's compensation strategy is to provide adequate levels of base compensation for its NEOs as well as discretionary bonuses to act as incentive mechanisms for achieving corporate goals and objectives. Each NEO receives a base salary in recognition of the position's day-to-day duties and responsibilities, which constitutes the largest share of the NEO's compensation package. The Board of Directors (the "**Board**") and the Compensation Committee thereof review each NEO's base salary on an annual basis, and may also consider a NEO's qualifications, experience, length of service and past contributions in determining a NEO's base salary. The Company also considers similar compensation for companies at a comparable stage of development in determining the appropriate level of compensation for its NEOs.

Executive compensation is determined on an annual basis, by the Compensation Committee, and is approved by the Board and the granting of bonuses are reviewed throughout the year.

The Board may also set, throughout the year, discretionary bonuses to serve as incentive mechanisms for the meeting of particular corporate goals and objectives, or for the Company's financial performance. NEOs are also eligible to participate in the Company's stock option plan (the "**Option Plan**") and receive grants of stock options thereunder (provided that such Option Plan is approved at this Meeting). Options grants referenced herein that are outstanding exist under the Company's option plan.

Given the nature of the Company's business and the size of the Company's management team, neither the Compensation Committee nor the Board believes that there are any material risks associated with the Company's compensation policies and practices.

Option-Based Awards

The Option Plan is used to attract, retain and incentivize qualified and experienced personnel. The Option Plan is an important part of the Company's long-term incentive strategy for its NEOs, as well as for its other directors, officers, other management, employees and consultants (collectively, "**eligible persons**"), permitting them to participate in any appreciation of the market value of the Company's common shares over a stated period of time. The Option Plan is designed to foster a proprietary interest in stock ownership, and to reinforce a commitment to the Company's long-term growth, performance and success as well as increasing shareholder value. The Compensation Committee reviews the grant of stock options to NEOs from time to time, based on various factors such as the NEO's level of responsibility and role and importance in the Company achieving its corporate goals, objectives and prospects. Decisions with respect to the grant of stock options are made by the Board from time to time based upon recommendations from the Compensation Committee. Previous grants of options are taken into account when considering new grants of stock options to NEOs.

The Company has no equity compensation plans other than the Option Plan.

Compensation Committee Report on Executive Compensation

The Compensation Committee has reviewed with senior management this Compensation Discussion and Analysis and, based on such review, has recommended to the Board that this Compensation Discussion and Analysis be included in this Circular.

Use of Financial Instruments

The Company does not have a policy that would prohibit a Named Executive Officer or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. However, management is not aware of any Named Executive or director purchasing such an instrument.

SELECT SANDS CORP. FORM 52-110F2 AUDIT COMMITTEE DISCLOSURE

ITEM 1: THE AUDIT COMMITTEE'S CHARTER

Purpose

The overall purpose of the Audit Committee (the "**Committee**") of SELECT SANDS CORP. (the "**Company**") is to ensure that the Company's management has designed and implemented an effective system of internal financial controls, to review and report on the integrity of the financial statements and related financial disclosure of the Company, and to review the Company's compliance with regulatory and statutory requirements as they relate to financial statements, taxation matters and disclosure of financial information. It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Company's Management to ensure that the independent auditors serve the interests of Shareholders rather than the interests of Management of the Company. The Committee will act as a liaison to provide better communication between the Board and the external auditors. The Committee will monitor the independence and performance of the Company's independent auditors.

Composition, Procedures and Organization

- (1) The Committee shall consist of at least three members of the Board of Directors (the "**Board**").
- (2) At least two (2) members of the Committee shall be independent¹ and the Committee shall endeavour to appoint a majority of independent directors to the Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Committee members' independent judgment. At least one (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Company. For the purposes of this Charter, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.
- (3) All of the members of the Committee shall be "financially literate"².
- (4) The Board, at its organizational meeting held in conjunction with each annual general meeting of the shareholders, shall appoint the members of the Committee for the ensuing year. The Board may at any time remove or replace any member of the Committee and may fill any vacancy in the Committee.
- (5) Unless the Board shall have appointed a chair of the Committee, the members of the Committee shall elect a chair and a secretary from among their number.
- (6) The quorum for meetings shall be a majority of the members of the Committee, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and to hear each other.
- (7) The Committee shall have access to such officers and employees of the Company and to the Company's external auditors, and to such information respecting the Company, as it considers to be necessary or advisable in order to perform its duties and responsibilities.

¹ "Independent" member of an audit committee means a member who has no direct or indirect material relationship with the Company. A "material relationship" means a relationship which could, in the view of the Company's Board of Directors, reasonably interfere with the exercise of a member's independent judgment.

² "Financially literate" individual is an individual who has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

- (8) Meetings of the Committee shall be conducted as follows:
- (A) the Committee shall meet at least four times annually at such times and at such locations as may be requested by the chair of the Committee. The external auditors or any member of the Committee may request a meeting of the Committee;
 - (B) the external auditors shall receive notice of and have the right to attend all meetings of the Committee;
 - (C) management representatives may be invited to attend all meetings except private sessions with the external auditors; and
 - (D) the proceedings of all meetings will be minuted.
- (9) The external auditors shall have a direct line of communication to the Committee through its chair and may bypass management if deemed necessary. The Committee, through its chair, may contact directly any employee in the Company as it deems necessary, and any employee may bring before the Committee any matter involving questionable, illegal or improper financial practices or transactions.
- (10) Any member of the Committee may be removed or replaced at any time by the Board and shall cease to be a member of the Committee on ceasing to be a director. The Board may fill vacancies on the Committee by election from among its number. If and whenever a vacancy shall exist on the Committee, the remaining members may exercise all its powers so long as a quorum remains in office. Subject to the above, each member of the Committee shall hold office as such until the next Annual General Meeting of the Shareholders after his/her election.
- (11) The members of the Committee shall be entitled to receive such remuneration for acting as members of the Committee as the Board may from time to time determine.

SCHEDULE "B"

SELECT SANDS CORP. NI 58-101 CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to the activities of the Board of Directors (the "**Board**"), the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. National Policy 58-201 Corporate Governance Guidelines ("**NP 58-201**") establishes corporate governance guidelines which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices, which are both in the interest of its Shareholders and contribute to effective and efficient decision making.

Pursuant to National Instrument 58-101 Disclosure of Corporate Governance Practices ("**NI 58-101**"), the Company is required to disclose its corporate governance practices, as summarized below. The Board will continue to monitor such practices on an ongoing basis and, when necessary, implement such additional practices as it deems appropriate.

ITEM 1. BOARD OF DIRECTORS

The Board is responsible for supervising the management of the business and affairs of the Company and is currently comprised of five directors four of whom are independent. The independent directors are Douglas Turnbull, Wesley Harris, Daniel Gillet and Steven Goldman.

The Board facilitates its exercise of independent supervision over management by ensuring that the Board members who are independent of the Company, as such term is defined in National Instrument 52-110 – Audit Committees ("**NI 52-110**") meet independently of the non-independent members when required.

ITEM 2. DIRECTORSHIPS

Certain of the Company's current and proposed directors are also directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

Name	Name of Other Reporting Issuer	Name of Trading Market	Position held with Other Reporting Issuer
Steven Goldman	Comstock Metals Ltd.	TSXV	President & CEO and Director
Douglas Turnbull	Forte Minerals Corp.	CSE	Director

ITEM 3. ORIENTATION AND CONTINUING EDUCATION

The Board does not have a formal orientation policy. New directors, when elected or appointed, are and will be provided with access to information, including sufficient historical data, to become familiar with the Company and its operations and to familiarize themselves with the procedures of the Board.

The skills and knowledge of the Board, as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds and have years of collective experience in managing and maintaining operations of companies in various sectors. Board members are encouraged to take courses that will continue to update their knowledge of any changes in regulatory and reporting requirements, as well as communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records. Reference is made to the table under the heading "Particulars of Matters to be Acted Upon

– Election of Directors” for a description of the current principal occupations of Board members and proposed nominees.

ITEM 4. ETHICAL BUSINESS CONDUCT

The Board expects management to comply with all statutes, regulations and administrative policies applicable to the Company, avoid conflicts of interest between work and personal affairs, declare any direct or indirect interest in a matter or proposed matter with the Company and refrain from voting thereon at meetings of the Board, refrain from insider trading, respect the rights of, and deal fairly with, the Company’s customers, suppliers, competitors and employees, and not take unfair advantage of anyone through manipulation, concealment, abuse of privileged information, misrepresentation of material facts, or any other intentional unfair-dealing practice. The Board also expects management to avoid any discrimination or harassment against any group or individual, to strive to create a safe workplace and to protect the environment; promote honest and accurate recording and reporting of information in order to make responsible business decisions, maintain the confidentiality of confidential information, protect and preserve the Company’s assets and ensure their efficient use, and cooperate in internal investigations of misconduct.

The Board has not yet instituted written policies with respect to all of the above nor adopted written codes of conduct for directors, officers and employees.

ITEM 5. NOMINATION OF DIRECTORS

The Board determines new nominees to the Board. Given the size of the Company and the Board, no formal process has been adopted for this purpose. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President and CEO.

At the Meeting, five members are to be elected to the Board (see "*Particulars of Matters to be Acted Upon – Election of Directors*"). The Board must have a sufficient number of directors to carry out its duties efficiently, presenting a diversity of views and experience. The Board believes that the proposed number will be sufficient given the Company’s current state of development.

ITEM 6. COMPENSATION

The Board has established a compensation committee. The compensation committee is selected from the Company’s independent directors and currently consists of Douglas Turnbull (Chair), Wesley Harris and Steven Goldman. The compensation committee is responsible for reviewing the compensation of the executive officers of the Company as required. The total compensation from all sources, including salary, bonus and stock options is compared to current market rates offered by similar issuers, and is intended to remain competitive in order to attract and retain talented and motivated individuals. See "*Information Concerning the Company – Statement of Executive Compensation*".

The Board as a whole periodically reviews directors' compensation. In reviewing directors' compensation, the Board takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies, and the particular circumstances of the Company.

ITEM 7. OTHER BOARD COMMITTEES

The Board has no other committees other than the Audit Committee and the Compensation Committee.

ITEM 8. ASSESSMENTS

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company’s size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness on an ad hoc basis. The current size of the Board is such that the entire Board takes responsibility for selecting new directors and assessing current directors.
